**JOIN OUR BIG-TIME, BIG TEN BLOOD DRIVE**

There are college fans, and then there are those who give everything for their school.

Full body paint. Voice cracking by halftime. Feet numb from standing all game long.

We see you out there, superfans, and we want to know: Can you give even more?

If so, “The We Give Blood Drive” is the competition for you. We partnered with the Big Ten Conference to pit school against school in the largest blood donation competition of our lifetime.

Here’s how it works: Schedule a donation through our contest website (click the button below). Then, after you give, submit your donation in honor of your team. We’ll be going coast to coast across Big Ten country to see which school, including its alumni and fans, gives the most. We’ll award the winner during the 2024 Discover Big Ten Football Championship game in Indianapolis on Dec. 7.

So get ready. After all, there are those who give everything, and then there are blood donors.
